Section Two:
Assessment of Narrative Report

DEFICIENCIES

Criterion 13.1: Speaking and Writing Skills (Undergraduate only)
The program is requested to continue reporting on efforts to address this criterion; in particular, please report on the progress on the required departmental elective sequence. However, please note that the course would need to be required. Please submit course syllabi with the next annual report.

Criterion 13.8: Western Traditions (Graduate only)
The program is requested to continue reporting on efforts to address this criterion; in particular, please provide course syllabi with noted course assignments with the next annual report.

Criterion 13.9: Non-Western Traditions
The program is requested to continue reporting on efforts to address this criterion; in particular, please provide course syllabi with noted course assignments with the next annual report. However, please note that the course would need to be required.

Criterion 13.16: Program Preparation
The program is requested to continue reporting on efforts to address this criterion; in particular, please provide course syllabi with noted course assignments with the next annual report.

Criterion 13.17: Site Conditions
The program is requested to continue reporting on efforts to address this criterion; in particular, please provide course syllabi with noted course assignments with the next annual report.

Criterion 13.25: Construction Cost Control
The program is requested to continue reporting on efforts to address this criterion; in particular, please provide course syllabi with noted course assignments with the next annual report.

Criterion 13.26: Technical Documentation (Graduate only)
The program is requested to continue reporting on efforts to address this criterion; in particular, please provide course syllabi with noted course assignments with the next annual report.

Criterion 13.28: Comprehensive Design
The program is requested to continue reporting on efforts to address this criterion; in particular, please provide course syllabi with noted course assignments with the next annual report.

CAUSES OF CONCERN

A. Well Documented Curriculum
The program is requested to continue reporting on efforts to address this cause of concern; in particular, please provide the updated curriculum with the next annual report.

† Although an area may be marked "satisfied, no further reporting required," the next visiting team may include in its report its own assessment of the program's response to the deficiency.
B. Use of Elective Courses
The program is requested to continue reporting on efforts to address this cause of concern; in particular, please provide the updated departmental matrix with the next annual report.

C. Implementation of college-wide core
The program is requested to continue reporting on efforts to address this cause of concern; in particular, please report on the results of the detailed planning of the newly integrated curriculum.

CHANGES TO THE ACCREDITED PROGRAM
The program reports no changes

† Although an area may be marked "satisfied, no further reporting required," the next visiting team may include in its report its own assessment of the program's response to the deficiency.
